

YAMOSA – Operator CCD alignment with optical registration

- Collimated light 5 or 8kW
- Scattered Light 2 x 7kW
- 2 or 4 CCD cameras
- Inner, outer and soldermask processes
- Close loop air cooling system (collimated light)
- Perfectly adapted to HDI 2/2mil (50/50 μ m) with collimated light
- Max panel 22" x 26" (559 x 660mm)
